MID-LEVEL GRAPHIC DESIGNER – FREELANCE

Who We Are

About Us

We're a growing virtual marketing agency seeking a mid-level graphic designer to join our team. We serve diverse clients across multiple industries and need someone who can deliver high-quality, portfolio-worthy work while maintaining brand consistency.

If this is you, keep reading: a mid-level graphic designer who does amazing work, on time, satisfies our clients, and is portfolio-worthy.

Looking for someone who is efficient and doesn't need a ton of hand-holding – who is confident in their design abilities and can hit the ground running quickly.

You shouldn't be presently overwhelmed with work and also be an excellent communicator.

We run as a completely virtual company, so we are able to offer some flexibility when it comes to workload and days required.
